

COVID-19 - Notice to Patients

Our clinics will remain open

Please help to keep everyone protected by following our guidelines

We will be asking additional questions – please listen carefully and answer them honestly

Please read our signs and follow our instructions

We need to reduce the number of people in our waiting rooms so please only bring a carer or family member if needed

You may be eligible for the new telephone or video consultations, if you meet the following criteria

- 70 plus year of age
- ATSI 50 plus years of age
- Pregnant
- Parent of a child under 12 months of age
- Have a chronic disease

AND are a regular patient of the clinic, so talk to our staff about a consultation from home. If you do not meet this criteria, we may still be able to do a consultation from home for a private fee.

DO NOT ENTER ANY OF OUR CLINICS IF YOU:

- Have returned from overseas travel in the past 14 days
- Have had contact with a confirmed case of coronavirus COVID-19
- Are a healthcare worker of any kind including dental, aged care and disability workers and have symptoms or fever
- Have a fever, cough, sore throat, breathing difficulties or other flu like symptoms

RING OUR CLINIC AND YOU WILL BE INSTRUCTED WHAT TO DO

We are here to take care of your health needs, but we need your help !
